In the event of transfer of this Warranty, the warranty period extends 40 years from the Products’ installation.

If at the time the Products are applied to the property, the property is owned by an organization (e.g., a corporation, unincorporated association, church, government or public entity) the warranty period extends 40 years from the Products’ installation.

Warranty Coverage

Subject to the exclusions and limitations set forth in this Warranty, Classic Metal Roofing Systems, Inc. warrants that the Products, including Kynar 500® or Hylar 5000® finish that has been applied in the course of manufacturing, are free from defects in material and workmanship. The finish on the Products will not chip, peel, flake, or blister under conditions of ordinary wear. The Products will not fade or change color in excess of five (5) Hunter E Units as measured using the procedure of ASTM D-2244-79 (comparing an unexposed panel to the exposed panel after removal of dirt and chalk) for a period of thirty (30) years after installation. The Products will not chalk in excess of ASTM D-659-80 rating eight (8) for a period of thirty (30) years after installation. With proper installation, the Products will not detach from the property or become deformed due to wind velocities up to 120 miles per hour. In the event of any breach of the above Warranty and subject to the exclusions and limitations set forth below, Classic Metal Roofing Systems, Inc., upon notification and validation of the complaint, will, solely at its option, either repair, replace, or refinish (providing both materials and labor) the products found to be defective, without charge to the original property owner(s), or refund the purchase price of the originally installed Products found to be defective (including both materials and associated labor). Classic Metal Roofing Systems, Inc.’s obligations under this Warranty will, in no event, exceed the purchase price of the originally installed Products found to be defective (including both materials and associated labor). Any costs and expenses beyond Classic Metal Roofing Systems, Inc.’s liability hereunder are the responsibility of the Original Property Owner(s).

In the event of repair, replacement or refinishing pursuant to this Warranty, the Warranty applicable to the replacement material or to the repaired or refinished Products will extend only for the time remaining under the original Warranty. Due to normal weathering (defined below), Products repaired, replaced or refinished during Warranty period may differ in gloss and color from Products that were originally installed, if any such Products remain on the property.
